## Beta Sigma Phi golf outing benefits schools

Beta Sigma Phi will host its fourth annual Charity Golf Tournament on April 26, at Springfield Country Club. Golfers from around the area will tee off in an effort to support their local schools.

All proceeds collected will benefit Foundation for Fort Mill Schools' Innovative Classroom Projects Program. Registration and check-in for the four-man captain's choice golf tournament will begin at 8:30 a.m. with a shot gun start at 9:30 a.m.

This event will mark the fourth year that the Fort Mill/Tega Cay Chapter of Beta Sigma Phi, a women's charity organization, has hosted the charity golf tournament. Last year's proceeds of \$8,000 were donated to the Foundation for Fort Mill Schools' Field Trip Support. This money was dispersed to each of the eleven schools in the district to help provide all students with the opportunity to experience and learn from classroom and school field trips.

During the upcoming 2010-2011 school year, the Fort Mill Schools will be facing extreme budget cuts. As the South Carolina economy continues to struggle, schools are taking hard hits. Despite budget cuts, the Foundation for Fort Mill Schools will continue its Innovative Classroom Projects Program. This past January, this program donated \$6,500 in grants to Fort Mill Schools. These grants are available to teachers of every grade and of every content area. The proceeds from this year's golf tournament will help the Foundation for Fort Mill Schools to continue to fund these grants.

For more information to register to participate as a golfer or sponsor, or to simply make a donation, contact Beta Sigma Phi at [www.bspfortmill.org](http://www.bspfortmill.org) or send an e-mail to Heather Doran at [doranh@fort-mill.k12.sc.us](mailto:doranh@fort-mill.k12.sc.us).
